ABOUT US

Welcome to the current edition of our E-Bulletin, a vibrant reflection of the academic spirit, creativity, and unity that thrives within our institution. Curated by a team of passionate students and guided by dedicated faculty, this bulletin serves as a platform to showcase achievements, insights, reflections, and talents from every corner of our college.

This term, we have strived to bring a more inclusive and engaging experience covering not only academic highlights but also glimpses into the cultural, clinical, and extracurricular vibrancy that defines our campus life. From seminar spotlights and student contributions to literary pieces and departmental updates, each page echoes our commitment to growth, collaboration, and excellence in homoeopathic education.

We thank every contributor and reader for being part of this journey and hope this issue inspires, informs, and ignites a sense of belonging within our college community.

STAFF EDITORIAL BOARD

Dr. Anitha S.K

CHIEF EDITOR

As we continue through another eventful year, this edition of our E-bulletin reflects the vibrant academic, professional, and cultural spirit of our institution. The past few months have been marked by meaningful celebrations, enriching academic initiatives, and occasions that brought our college community together.
We proudly celebrated National Doctors' Day, honouring the dedication and service of the medical profession and reaffirming our commitment to compassionate healthcare. The Faculty Development Programme provided an enriching platform for academic growth, professional development, and exchange of knowledge among faculty members. Our institution also hosted an AYUSH Seminar, highlighting the significance of traditional systems of medicine and encouraging academic dialogue and collaboration. Adding to the cultural spirit of the quarter, Keraleeyam Celebration brought together the vibrant traditions and heritage of Kerala through a memorable celebration. The observance of the Hahnemann Pledge further renewed our commitment to the principles, ethics, and ideals of Homoeopathy.
As you turn these pages,
we invite you to revisit these memorable moments and celebrate the enthusiasm, knowledge, and unity that continue to shape our institution. My heartfelt appreciation goes to all students, faculty members, and staff whose dedication and participation make every programme meaningful and successful. May we continue to learn, contribute, and grow together, carrying forward the values and legacy of our institution with pride.

ALVA'S HOMOEOPATHIC MEDICAL COLLEGE

National DOCTORS' DAY

Alva's Homoeopathic Medical College celebrated National Doctors' Day on 1 July 2026 at the Seminar Hall under the theme "Honoring Healers. Inspiring Futures." The programme was presided over by Sri. Vivek M. Alva, Managing Trustee, Alva's Education Foundation. The guest speaker, Dr. Yogesh Dravid, Professor and Head of the Department of Physiology and Biochemistry, Bharatesh Homoeopathic Medical College, Belagavi, delivered an enlightening lecture emphasizing the importance of evidence-based clinical practice through interactive case discussions.

The programme was graced by Dr. Herald Roshan Pinto, Principal, Dr. Prajnya Alva M., Administrative Officer, and Dr. Praveen Raj, Advisor, who encouraged students to uphold the values of compassion, professionalism, and excellence in healthcare.

2026 - 27

STUDENT COUNCIAL

STUDENT COUNCIL 2026–27

A New Beginning

The newly elected Student Council for the academic year 2026–27 was formally inducted during the programme. The office bearers took the oath of responsibility and pledged to serve the student community with dedication, integrity, and teamwork. The dignitaries congratulated the new council members and encouraged them to foster leadership, unity, and active student participation in various academic and extracurricular activities.

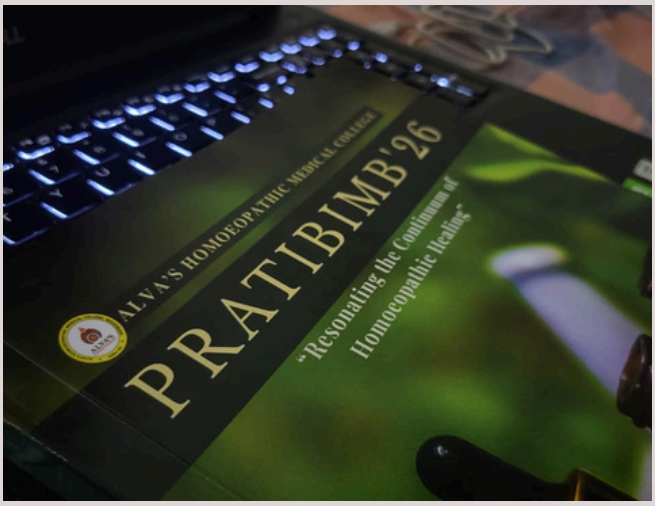

WHITE-COAT CEREMONY:

A White-Coat Ceremony was conducted to formally welcome the first-year 2026 batch students into the medical profession. The ceremony symbolized the beginning of their journey as future healthcare professionals and emphasized the importance of ethical practice, responsibility, empathy, and commitment to patient care. The dignitaries motivated the students to wear the white coat with pride and uphold the noble values of the medical profession throughout their careers.

Prathibimb'26 Magazine Inauguration:

The college magazine Prathibimb'26 was officially inaugurated during the programme. The magazine showcases the academic, literary, cultural, and extracurricular achievements of students and faculty, reflecting the vibrant campus life and creative talents of the institution. The release of the magazine marked another milestone in promoting student expression, innovation, and academic excellence.

Prize Distribution:

As part of the programme, prizes were distributed to the winners of the World Environment Day Poster Making Competition conducted in both Digital and Handmade categories. The winners were appreciated for their creativity and their efforts in spreading awareness about environmental conservation through impactful presentations. The Department of Pathology and Microbiology also felicitated students who secured the highest marks in the subject. Afreen Khatal was awarded the First Prize for securing the highest marks, while Mamata Chavhan received the Second Prize for her outstanding academic performance. The prize distribution ceremony recognized the students' hard work, creativity, and academic excellence, inspiring them to continue striving for success.

Faculty Development Programme.

Accelerating Growth Through Mentorship.

The Medical Education Technology Unit of Alva's Homoeopathic Medical College organized a Faculty Development Programme titled "Accelerating Growth Through Mentorship" on 14th July 2026. The session was delivered by Dr. Deepa Kotari, Director, Alva's Centre for Wellness Training. Through practical insights and real-life experiences, she highlighted the transformative role of mentorship in fostering academic excellence, professional growth, and institutional development.

The workshop emphasized effective mentoring strategies, maintaining professional boundaries, and creating a supportive learning environment. An interactive discussion enriched the session by encouraging active faculty participation, followed by the felicitation of the resource person and a formal vote of thanks.

"Empowering Educators, Enriching Medical Education"

Enhancing Teaching Excellence Through Educational Methodology

Alva's Homoeopathic Medical College organized a Faculty Development Programme on Educational Methodology on 10 August 2026 from 9:00 AM to 5:00 PM at the Seminar Hall. The programme was organized by the Medical Education Technology Unit (METU) in association with the Curriculum Co-ordination Committee (CCC).

The programme commenced with the inauguration at 9:15 AM and included sessions on innovative large-group and small-group teaching, effective clinical and practical skill teaching, active learning, and Artificial Intelligence in medical education. The sessions were conducted by Dr. Chethana K, Dr. Ravindra S. Beedimani, Dr. Jayaprakash B. R, Dr. Meena Kiran, Dr. Asharani N, and Dr. Sushikshitha S. A. The programme provided valuable insights into innovative and learner-centred teaching approaches and concluded with the valedictory session. Overall, the programme was successfully conducted and contributed to strengthening teaching practices and educational skills among faculty members.

THE TEMPLE GIRL

Beyond the Sacred Walls

30 JUNE • VIDYAGIRI

THE JOURNEY

The Rostrum Club organizedan interactive session on 30th June at Vidyagiri, featuring The Temple Girl as the keynote speaker. During her session, she shared her remarkable life journey and her deep love for temples, Indian culture and heritage.

FROM DREAM TO VOICE

She candidly spoke about the challenges and setbacks she faced in her career, including job failures, and how perseverance helped her achieve success. One of the most inspiring parts of her talk was her transformation from someone who did not even know how to hold a camera and speak into a digital creator who now guides and inspires millions across YouTube, Instagram and Facebook.

"Perseverance turned a beginning into a journey that inspires millions."

Students of Alva's Homoeopathic Medical College actively participated in the session, which concluded with an engaging interactive discussion. The event inspired students to pursue their passions while appreciating India's rich cultural heritage.

Nasha Mukth Yuva

Viksit Bharat Sankalp Abhiyan

2nd August 2026

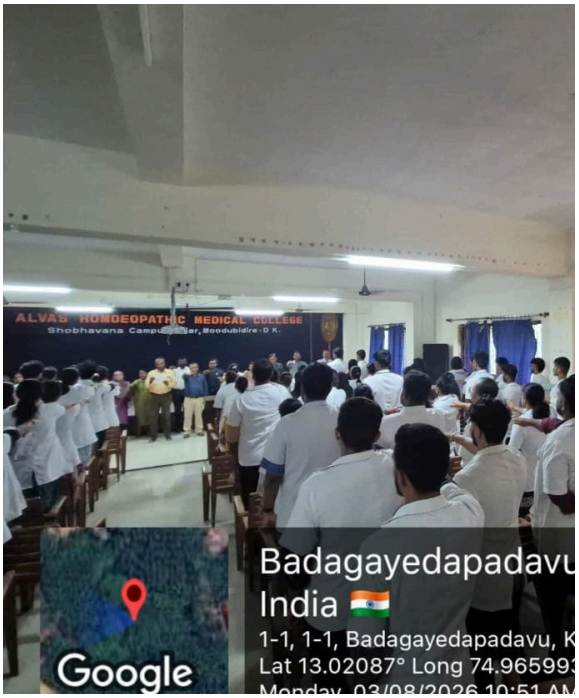

> *Together, we pledged*
> *"We took the Nasha Mukth Bharat oath."*

RGUHS, Karnataka, in association with Dishabodh Sustainable Community Development Foundation, organized the "Nasha Mukth Yuva for Viksit Bharat Sankalp Abhiyan" on 2nd August 2026 at 10:00 AM through online collective participation.

The programme aimed to promote a drug-free, healthy and developed India among youth and included a special address by Hon'ble Prime Minister Shri Narendra Modi Ji.

Students of 1st, 2nd and 3rd BHMS of Alvas Homoeopathic Medical College, along with the teaching staff and non teaching staff , actively participated in the programme and took the Nasha Mukth Bharat oath.

The institution also completed the required documentation, including participation details and photographs of the programme with the official Government of India backdrop.

Hahnemann Memorial Pledge Ceremony

On the occasion of the 183rd death anniversary of Dr. Samuel Hahnemann, the founder of Homoeopathy, our college actively participated in the Hahnemann Memorial Pledge Ceremony organized by the National Commission for Homoeopathy (NCH) July 2nd .

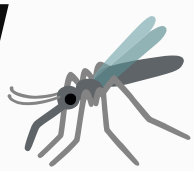

The programme witnessed enthusiastic participation from the Principal, faculty members, interns, and students, who assembled to pay homage to the pioneer of Homoeopathy. As part of the nationwide initiative, everyone solemnly took the Hahnemann Memorial Pledge, reaffirming their commitment to uphold the science, philosophy, ethics, and principles of Homoeopathy with sincerity, integrity, and compassion.

The event concluded with a sense of pride, responsibility, and renewed commitment among all participants to uphold the noble values of the Homoeopathic profession.

WORLD MOSQUITO DAY

The Department of Human Anatomy of Alva's Homoeopathic Medical College and Hospital, Mijar, Moodbidri, organized World Mosquito Day Competitions on 20th August 2026 with the theme "Awareness, Prevention and Mosquito-Borne Disease Control."

The programme featured Digital Poster Making, Poster Making, and Quiz competitions, encouraging students to showcase their creativity and knowledge regarding mosquito-borne diseases, mosquito biology, prevention, environmental sanitation, and vector control. The entries were evaluated based on scientific accuracy, relevance, creativity, originality, clarity, neatness, and overall effectiveness. The competitions provided an engaging platform to promote awareness among students about mosquito control and the prevention of mosquito-borne diseases, emphasizing the importance of collective efforts towards a healthier, mosquito-free future.

Teachers' Day Celebration

Alva's Homoeopathic Medical College, Moodbidri, celebrated Teachers' Day on 9th September 2026 with great enthusiasm and joy. The halfday programme commenced with the ceremonial lighting of the lamp, marking the beginning of the celebrations. The occasion was graced by the Chief Guest, Dr. Harish Nayak, MBBS, MS, whose presence added special significance to the event. The Chief Guest was felicitated as a mark of honour and respect.

The programme was filled with fun and engaging games for the teachers, followed by an entertaining comedy skit by the students portraying memorable classroom and clinical moments. Energetic dance performances further added to the festive spirit. As a token of love and appreciation, the students presented gifts to the teachers through the Chief Guest.

The celebration concluded with heartfelt gratitude to the teachers for their dedication, guidance and constant encouragement, leaving everyone with laughter, appreciation and cherished memories.

Keraleeyam 2026

Alva's Education Foundation Keraleeyam 2026 wascelebrated on September 10 at Krishisiri Vedike, Vidyagiri, with great enthusiasm and festive spirit.

The programme was inaugurated by the Chief Guest, Binu Pappu, Malayalam actor and assistant director, in the presence of Vivek Alva, Managing Trustee, Alva's Education Foundation. The celebration aimed to showcase the rich cultural heritage, traditions, and vibrant spirit of Kerala. The event was followed by an engaging cultural programme featuring various traditional performances and activities. Students and faculty members actively participated in the celebration, adding colour and energy to the occasion by adorning traditional Kerala attire. The programme provided an opportunity for everyone to experience and appreciate the diverse customs, art forms, and cultural traditions of Kerala, making the celebration a memorable and joyous occasion.

National AYUSH Seminar DECODE 2026

DECODE 2026, a National AYUSH Seminar on "Laboratory Investigations in Haematology & Biochemistry: Interpretation & Clinical Inference," was organised by the Department of Pathology & Microbiology, Father Muller Homoeopathic Medical College, Mangaluru, on 20th September 2026 at the Father Muller Auditorium, Deralakatte, Mangaluru.

The seminar featured eminent speakers including Dr. Poornima Manjekar, Professor, Department of Biochemistry, KMC Mangaluru, and Dr. Sridevi H B, Additional Professor & Head, Department of Laboratory Medicine, KMC Mangaluru. The sessions provided students with valuable insights into the role of haematological and biochemical investigations in clinical diagnosis.

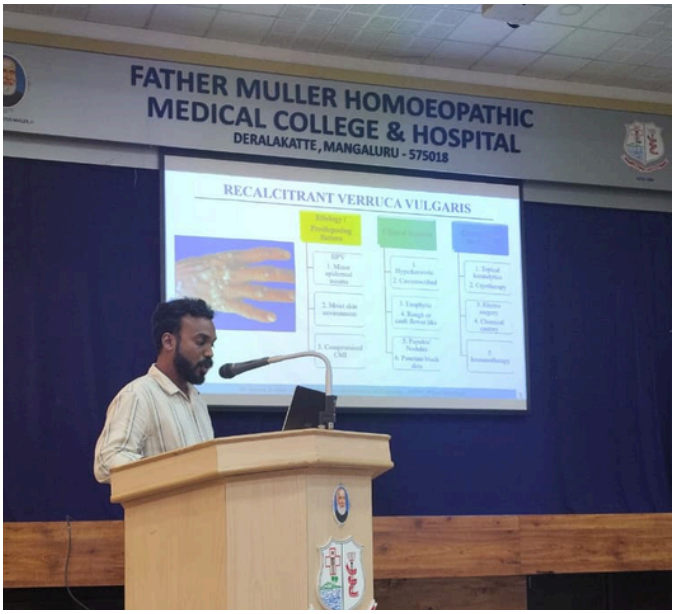

Students of 2nd BHMS from Alva's Homoeopathic Medical College attended the seminar and actively participated in the on the spot quiz, gaining valuable exposure to laboratory investigations and their clinical interpretation.

The seminar proved to be an enriching academic experience, providing students with opportunities to enhance their knowledge, participate actively in academic activities, and gain greater appreciation for evidence based clinical practice.

Paper presentation by Dr. Kalpana associate professor of Department of Anatomy and Dr. Jessan .J. associate professor of Department of Pathology at Father mullers Homoeopathic medical College Deralakatte manglore

FACULTY CONTRIBUTION

Cultivating Skills for Women's Economic Independence

Aari Lahari - Stitching a Path to Self-Reliance

Sakshama - Alva's Women Association, in association with Alva's Homeopathic Medical College, has taken an initiative to equip women with practical skills and avenues for financial independence through "Aari Lahari - Stitching a Path to Self-Reliance," a 15-day free Aari art training workshop. The workshop was inaugurated on 17 September 2026 by Mrs, Sonia Yashovarma, Director, SDM Kalakendra, Ujire, in the presence of Dr, Mahabalesh Shetty, Dean, Alva's Institute of Medical Sciences and Research Centre (AIMSARC), and Dr. Greeshma vivek Alva, Convenor, Sakshama.

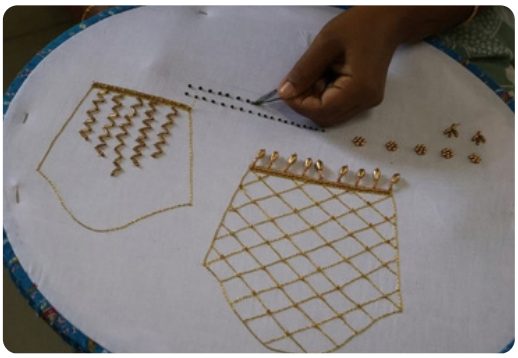

With 65 beneficiary women enrolled in the programme, the training is being conducted by Mrs. Shubhalakshmi, who is imparting practical instruction in Aari embroidery. The programme focuses on transforming a traditional art form into a meaningful skill that can open avenues for income generation and self-employment. As part of the initiative, Alva's Homeopathic Medical College is also extending healthcare support to the trainees through free medical camps and health-awareness sessions. This integrated approach brings together vocational training, health awareness, on menstrual hygiene, women's mental health, maternal and child health, and personal care. Awareness was also provided on hair and skin management, injury and pain management.This integrated approach brings together vocational training, health awareness and overall well being .

Aari Lahari – Stitching a Path to Self-Reliance

The training sessions have created a vibrant and collaborative learning environment, where participants are introduced to different Aari embroidery techniques and encouraged to practise, experiment, and develop their own designs. The initiative not only nurtures creativity and craftsmanship but also seeks to equip women with skills that can contribute to their economic independence.

Valedictory Ceremony of "Aari Lahari"

Sakshama – Alva's Women Association, in collaboration with Alva's Homoeopathic Medical College, Mijar, organised the valedictory ceremony of "Aari Lahari – Stitching a Path to Self-Reliance" on 6th October 2026 at the AHMC Seminar Hall. Mr. Vivek Alva M., Managing Trustee, Alva's Education Foundation, graced the occasion. Certificates were distributed to all 60 participants, marking the successful culmination of the programme focused on women's empowerment, skill development and self-reliance.

Health Exhibition

A Health Information Exhibition on "Diseases of the Joints and Their General Management" was conducted on 6th October 2026 under the Aari Lahari Women Empowerment Programme by the Sakshama Team. The exhibition covered common joint diseases, women's health, female diseases, paediatric diseases and nutrition, along with preventive measures, lifestyle modifications, exercise, dietary management and the homoeopathic approach by students , interns and staff. As part of hair and skin management activity, hair and skin analysis was conducted during the health exhibition which was also provided in the OPD enabling participants receive individual assessment and health guidance .100 Delegates and members of the public benefited from the programme.

HEALTH EXHIBITION

Inauguration of Alva's Institute of Medical Sciences and Research Centre & Deemed-to-be University.

Alva's Institute of Medical Sciences and Research Centre was inaugurated on 21th September 2026 at the Mohan Alva Campus, Mijar, Moodbidri.

The event was led by Dr. M. Mohan Alva, Chairman, Alva's Education Foundation, and was graced by Union Minister Pralhad Joshi and MP Captain Brijesh Chowta.

The institution received National Medical Commission approval for 150 MBBS seats for the academic year 2026-27. With modern infrastructure and practical clinical exposure, the institute aims to nurture compassionate and socially responsible medical professionals. A 650-bed hospital is planned as part of its future development.

Central Education Minister Prahalad Joshi announced that Alva's Education Foundation will become a Deemed-to-be University for the upcoming academic year

“Case-Based Learning: Enhancing Understanding Through LM Potency”

Alva’s Homoeopathic Medical College, Mijar, Moodbidri, organized a Guest Lecture on “Case-Based Learning: Uses of LM Potency” on 28 September 2026 from 10:00 AM to 11:00 AM at the METU Room. The programme was organized by the Department of Homoeopathic Repertory and Case Taking. Dr. Sunil Moogeri, Associate Professor, A. M. Shaikh Homoeopathic Medical College, Belagavi, was the resource person for the session. The lecture focused on case-based learning and the practical application and uses of LM potency in homoeopathic practice. The session provided valuable insights into systematic case taking, understanding individual cases, and the appropriate application of LM potency. The interactive and case-oriented approach made the session informative and beneficial for the participants. Overall, the guest lecture was successfully conducted and contributed to enhancing the participants’ knowledge and practical understanding of homoeopathic case management and LM potency.

80th Independence Day

Alva’s Education Foundation celebrated the 80th Independence Day of India with a grand ceremony on 15th August 2026 at the K. V. Subbanna Open-Air Theatre, Moodbidri. Captain Ganesh Karnik, former Karnataka Legislative Council member, was the Chief Guest who hoisted the National Flag and addressed the gathering. The celebration witnessed the participation of over 15,000 students and staff members of AEF, along with parents and residents of Moodbidri. Students and staff members of Alva’s Homoeopathic Medical College also attended the programme. The event featured patriotic performances and highlighted India’s freedom struggle and national unity.

Health camp at govt. School

Alva's Homoeopathic Medical College conducted a health camp at the Government Primary School and Anganwadi School, Moodbidri, on 29th August 2026, from 9:30 AM to 12:30 PM. The camp was conducted under the guidance of Dr. Rabiya Bashri and Dr. Julia, with the participation of interns. A total of 14 patients were examined. General health check-ups were conducted, and no cases of malnutrition were identified among the students. Homoeopathic supplements were planned as part of the follow-up care.

A CHECKMATE TO SUCCESS

The RGUHS Chess Competition was held on 29th September 2026 at Father Muller's College, Mangaluru. Students of Alva's Homoeopathic Medical College – Mr. Sai Bhuvan, Mr. Vishetth Poojary, Mr. Abhay, Mr. Sudarshan, Mr. Prashant, and Mr. Wanteilang – participated with enthusiasm and sportsmanship. Mr. Sai Bhuvan secured 5th place among the top players, bringing pride to Alva's Homoeopathic Medical College. The college congratulates all the participants on their commendable performance.
