THE KUDLA HOMOEOPATHIC CON-24

KUDLA HOMOEOPATHIC NATIONAL CONFERENCE

Alva's Homoeopathic Medical College, in association with Indian Homoeopathic Medical Association (IHMA) and RGUHS has organized Kudla national conference, took place on June 30th, 2024, in Mangaluru, drawing many delegates from India and was inaugurated by Karnataka Assembly Speaker Sri UT Khader and featured presentations by Dr. PV Venkatraman on pathological prescriptions and Dr. Veneeth Sidharthan on innovative treatment methodologies in homeopathy.

Key guests included **Dr. Praveen Raj Alva (Conference Chairperson)**, **Dr. KM Uvaise (National Presented IHMA)**, **Dr. Dhiraj Samuel (National Secretary General)**, **Dr. Ashwathnarayana, Deputy Director of AYUSH Karnataka**, and **Sri Vivek Alva Managing Trustee of Alva's Education Foundation**.

The conference emphasized advancing Homeopathic research, integrating it with mainstream medicine, and included a successful global webinar series to extend the field's reach and impact.

04

PAPER & POSTER

Presentation: Kudla

At the Kudla Homoeo Con 24, Alva's Homoeopathic Medical College students made notable contributions. **Pavithra (senior final year)** presented a well-received poster on innovative homeopathic treatments, while **Nischita, Ritu, and Nithin (junior final year)** delivered compelling papers on advancements in Homeopathic research and the integration of Homeopathy with conventional medicine.

World Donors' Day

**CELEBRATING
THE GIFT OF LIFE**

Alva's Homoeopathic Medical College celebrated World Donor Day on June 15, 2024, with a vibrant event hosted by the Department of Community Medicine and NSS unit. Faculty members Dr. Bibi Asma Desai, Dr. Sudhamathi, and Dr. Sharath M. joined in as the event highlighted student poster presentations and seminars promoting organ donation awareness. The program, which included a lively poster competition judged by Dr. Qadri, Dr. Jiji, and Dr. Rabiya, successfully inspired participation and advocacy for organ donation within the college community.

VISITATION TO *MANIPAL MUSEUM*

Of Anatomy & Pathology

On July 11th, 2024, students visited the Manipal Anatomy and Pathology Museum to deepen their understanding of anatomical structures and pathological conditions. They explored preserved specimens and engaged in comparative studies, observing various medical conditions. This interactive tour bridged textbook knowledge with practical applications, significantly enriching their learning experience.

Sowing the Seeds of Sustainability: **Alva's Institute of Engineering and Technology along with AHMC Leads the Charge for a Greener Future**

On August 1, 2024, 11 am onwards, Alva's Institute of Engineering and Technology hosted an environmental event themed "ಹಸುರು ಹೊನ್ನು ಬಿತ್ತೋಣ ಜಗದಗಲ" (Let's Sow Greenery around the World) organized by Alva's Education Foundation. Prof. S. A. Krishnaiah, Studying Director of the Oriental Accumulation Research Center, highlighted the importance of sustainable practices, reducing plastic usage, and conserving forest and land-river biospheres. This event attended by students of Alva's Homoeopathic Medical College, Alva's College of Naturopathy and Yogic Sciences, Alva's institute of Engineering and Technology and Alva's Degree College emphasized green initiatives and concluded with a call to action for sustainable habits, leaving a lasting impact on all participants. As a symbolic gesture of commitment, students were gifted plants to encourage personal involvement in environmental conservation.

THE FUTURE OF HEALTHCARE

CHALLENGES AND OPPORTUNITIES

On 27th and 28th July 2024 an International Conference was held at Sarada Krishna Homoeopathic Medical College based on RELIABLE EVIDENCE BASED REPERTORIES FOR HOMOEOPATHIC PRACTICE. ICCR - 2024. 36 students from the third and final years of Alva's Homoeopathic Medical College attended the conference actively and learnt many new insights from the same.

4TH BHMS

3RD BHMS

POTENTIA
2024

AHMC's Bright Minds Make a Significant Impact on National Research Stage

Potentia, a national platform for young researchers, was conducted on 12th and 13th July 2024 at Fr Muller Homoeopathic Medical College, Deralakatte. **Students from AHMC (Ananthram, Alwin Crasta, Nithin Krishna, Nishchitha)** were featured among. Their participation in Potentia 2024 exemplifies AHMC's commitment to nurturing research talent and contributing to the advancement of scientific knowledge.

RGUHS RESEARCH GRANT

Ms. Nischitha S on receiving a research grant from Rajiv Gandhi University of Health Sciences (RGUHS) for the academic year 2024-2025, with the topic '**An observational and comparative study to assess the efficacy of sabal serrulata Q, alfalfa Q and Thyreoidinum 3X in the growth of "pangasianodon hypophthalmus" (iridescent shark)**' under the guidance of Dr. Keerti Raj Patil.

78 Independence Day 2024

HONORING THE SPIRIT OF FREEDOM WITH UNITY AND PRIDE

Alva's Education Foundation celebrated Independence Day on August 15, 2024, at the K.V. Subbanna Bayalu Rangamandira, Vidyagiri, Moodbidre. The event featured Dr. M. Veerappa Moily, Former Union Minister and Chief Minister of Karnataka, as the Chief Guest, along with Mr. K. Abhayachandra Jain, Former Minister, Government of Karnataka. Dr. M. Mohan Alva, President of Alva's Education Foundation, delivered an inspiring Independence message, emphasizing national unity and patriotism. The celebration included a flag hoisting, Guard of Honor, and the singing of the National Anthem.

Celebrating Freedom Through Art

INDEPENDENCE DAY CULTURAL SHOWCASE

Alva's Homeopathic Medical College proudly participated in the Independence Day Competition held by the Ex-Servicemen Forum on August 15, 2024, at Kannada Bhavan, Moodbidri. A vibrant group of 12 students captivated the audience with a dynamic dance performance, while a talented group of 6 students delivered a powerful group song. The event was a true celebration of freedom, showcasing the college's cultural vibrance and patriotic spirit.

Certificate Distribution for Personal Holistic Competence

Cultivating Excellence

On 24th July 2024 at 3:30 PM, the Certificate Distribution for Personal Holistic Competence celebrated growth and achievement. Distinguished guests were welcomed by the Principal and AAO, with Ms. Karunya introducing the event. The ceremony began with a prayer by 1st-year BHMS students and the lighting of the lamp. Ms. Tejashwini welcomed attendees, Mr. Vivek Alva gave an inspiring speech, and Shri Sharad Vihari Dasa outlined the PHC program's vision.

Students shared impactful testimonials, while Dr. C. Joe Varghees and Dr. Radhakrishna Shetty delivered motivating addresses. Dr. Roshan Pinto and Dr. Prajna Alva honored the guests. The event concluded with certificate distribution and a vote of thanks by Ms. Hima Bindu, leaving everyone inspired.

Ganeshotsav Rangoli Fiesta: SGS

On account of the 61st year of Sarwajanika Ganeshotsava Samithi, Moodbidri, a Rangoli competition was held on 9th September 2024 at 3:30 PM. Nischitha S, a final-year BHMS student from Alva's Homoeopathic Medical College, secured second place, demonstrating her artistic skills and creativity in the event.

STAFF ACTIVITIES

STAFF CLINICAL MEETING

A clinical meeting was held on August 14, 2024, at Alvas Homoeopathic Medical College, repertory department led by Dr. Shri Raksha B and moderated by Dr. Praveen Raj P. The focus was on the Pathological Evolution of Disease in Homoeopathic Management. Staff discussed a pre-assigned case, covering key areas like investigations, diagnoses, and remedies. The meeting ended with the diagnosis of the case and an evaluation report from participants.

A Continuing Medical Education (CME) session on the "Interpretation of ECG"

by **Dr. Prashant Donkar**,

The Head of the Department of Medicine. The session aimed at enhancing the knowledge and skills of the staff in interpreting ECG results effectively.

Report on Health and Hygiene Session for Boys

Dr. H. Roshan Pinto was warmly welcomed by Sr. Maria Gracilda A.C., the Principal. The session was well-received by both students and staff, who expressed their gratitude to the management and Sr. Maria Gracilda A.C. for organizing this informative session.

The initiative was praised for providing students with essential knowledge and fostering a culture of wellness within the school community. On 10th July, Dr. Herald Roshan Pinto, Principal of Alva's Homeopathic Medical College, Moodbidri, conducted an insightful session on health and hygiene specifically for boys. The session was part of an educational initiative aimed at promoting overall well-being among students.

UNLOCKING THE FUTURE OF BIOMEDICAL RESEARCH

A HANDS-ON FACULTY DEVELOPMENT PROGRAM

The School of Life Sciences, St. Aloysius College, Mangalore, in collaboration with Alva's Homoeopathic Medical College, successfully hosted a two-day Faculty Development Program (August 22-23, 2024). The event offered practical workshops on advanced biomedical research techniques, including UV-Vis Spectrophotometry, DNA Isolation, DPPH Free Radical Scavenging Assay, Polymerase Chain Reaction (PCR), and Agarose Gel Electrophoresis.

Led by experts from the Biotechnology and Microbiology departments, the sessions provided valuable hands-on experience. The program concluded with a valedictory function, celebrating the active participation and enhanced skill development of all attendees.

Enlightening Forum

Dr. Praveen Raj Alva lectured at a CME for the government homoeopathy medical personnel in the Palakkad district on the topic of Relevance of Hahnemann for Modern Homeopath.

NCH Training Program for CBDC Batch

Empowering Excellence

The National Commission for Homeopathy (NCH) conducted a comprehensive training program for the new CBDC batch on July 11th and 12th, 2024, exclusively for staff of all subjects in GHMC, Bangalore. Lecturers from Alva's Homoeopathic Medical College actively participated in the program, which aimed to equip participants with the knowledge and skills necessary for effective implementation of the CBDC curriculum. The interactive sessions covered theoretical and practical aspects, enabling participants to enhance their understanding and application of homeopathic principles. The two-day training program was a resounding success, empowering staff to confidently embark on their CBDC journey.

Teacher's Day at AHMC

A Celebration of Wisdom, Wit, and Heartfelt Stories

On September 5th, Alva's Homoeopathic Medical College came alive with the spirit of Teacher's Day celebrations. Our Principal, Dr. Roshan Pinto, set the tone with a warm and heartfelt welcome speech, followed by a captivating Shayari by Dr. Qadri that left everyone inspired. As a token of appreciation, students gifted rose saplings to all the lecturers, adding a touch of green to the gratitude in the air. The celebration turned even more memorable as teachers shared their rich experiences and cherished stories about their own teachers. The event also showcased hidden talents; Dr. Prashant had everyone in splits with his spot-on mimicry of students! The day concluded with a sincere vote of thanks, wrapping up an unforgettable celebration that honored the essence of teaching and learning.

Nasha Mukh Bharat Abhiyan

On 12th August 2024, Alva's Homoeopathic Medical College, Department of Community Medicine, organized a pledge-taking ceremony in support of the 'Nasha Mukh Bharat Abhiyan,' a national campaign launched on 15th August 2020 with the goal of making India drug-free. The event saw active participation from students, faculty, non-teaching staff, security personnel, and housekeeping staff, all coming together to pledge their commitment to this mission. The pledge was taken with the firm resolve: "I pledge that I will do everything possible to the best of my ability to make my country drug-free. Jai Hind!"

HELINET WORKSHOP

A workshop titled 'Health Science Library and Information Network' (HELINET) was conducted for librarians and faculty members

for all the health science institutions under RGUHS at Fr Muller medical College, kankanady on 3rd of July 2024 from 10am to 5pm. The session emphasizes on E- learning culture and to promote its effectiveness among the students. Dr. Indu OS (Department of FMT) and Mr. Gireesh (Librarian) attended the workshop on behalf of AHMC.

STAFF Achievements

Dr. Herald Roshan Pinto

The Principal, AHMC, has been appointed as an External Expert to the Board of Studies for UG Homoeopathy subjects at the KLE Academy of Higher Education and Research, Belagavi, Karnataka. The appointment, effective from July 1st, 2024, is for a period of two years and aligns with UGC regulations.

As a Resource person, On 26th July, he participated in the training program on effective implementation of new competency based dynamic curriculum under KUHS.

Dr. Prashanth Donker,

The HOD, Department of practice of medicine has demonstrated his unwavering commitment to excellence by completing a *Postgraduate Diploma in Counselling (PGDC)* from the prestigious School of Social Work, Roshini Nilaya, Mangalore.

Dr. Sharath Mandicha,

Assistant Professor of department of community medicine has made a significant contribution through his case report titled "A Case Report of Uterine Fibroid Treated with Constitutional Homoeopathic Medicine."

Dr. Sudhamathi SM.,

Associate Professor of department of community medicine authored the article "Fibromyalgia- the Elusive Diagnosis" which was published in the magazine of Karnataka Private Homoeopathic Medical Colleges Management Association on the occasion of world Homoeopathy Day 2024.

INSIGHTFUL SEMINARS

Celebrating World Breastfeeding Awareness Day 2024

CREATIVITY MEETS HOMOEOPATHIC INSIGHT:

On August 10 and 12, 2024, Alva's Homoeopathic Medical College & Hospital's Department of Obstetrics and Gynecology celebrated World Breastfeeding Awareness Day with a vibrant two-day event. The first day featured creative competitions like clay modeling, poem writing, slogan creation, and a skit, all focused on promoting the importance of breastfeeding. On August 12, Dr. Jaslin A S delivered a compelling lecture on the "Evidence-Based Homoeopathic Approach to Infertility," offering valuable insights into the role of homoeopathy in managing infertility. This blend of creativity and scientific discussion made the celebration both engaging and educational, highlighting the significance of breastfeeding and homoeopathy in healthcare.

Elevating Homeopathic Expertise through Insightful Workshops

On July 8th, 2024, The Student Council of Alva's Homoeopathic Medical College hosted a workshop featuring Dr. Shekhar Algundgi, a renowned expert in homeopathy. Dr. Algundgi presented his pioneering Sensation Method through real-life cases, showcasing its effectiveness in holistic healing. Attendees actively engaged in discussions, posing insightful questions. Dr. Divya also presented additional cases, enriching the workshop with practical insights. The event concluded with gratitude extended to all participants for contributing to its success. Alva's College looks forward to future workshops to advance homeopathic education and practice.

Fueling Innovation: The Power of Research Collaboration

THE 'RISE' WEBINAR

A series hosted by CCRH featured Dr. Vinitha E R, Research Officer at CCRH, discussing "Designing A Research Study I" on June 19, 2024, from 2 to 4 pm. The session focused on key aspects of research study design, offering insights valuable to attendees interested in research methodology.

Participants gained knowledge on foundational principles crucial for structuring effective research studies, guided by Dr. Vinitha's expertise. This webinar series serves as a significant educational platform for advancing understanding and skills in research within the community of CCRH and beyond.

The "RISE" webinar series, organized by the Central Council for Research in Homoeopathy (CCRH), aims to enhance research skills in homeopathy. The sessions held on 19th June, 11th July and 30th August 2024 covered essential topics like study design, randomized controlled trials (RCTs), and research methodologies. Experts provide practical insights and examples to guide participants in conducting effective research. This series serves as an educational platform, helping to strengthen research understanding and promote evidence-based practices within the homeopathy community. "RISE" webinar series, organized by the Central Council for Research in Homoeopathy (CCRH), aims to enhance research skills in homeopathy. LIC Inspection was held at our college on 16th of August 2024

Esperanza'24

LOADING...!

The 4th BHMS junior batch organized name-revealing ceremony for their seniors, setting the stage for their upcoming farewell. The event was highlighted by a surprise flash mob and various entertaining activities, with excitement and energy the name "Esperanza" which means "hope" was unveiled, officially inviting the seniors to their farewell celebration on October 05.

The juniors' efforts and creative performances left a memorable impact, building anticipation for the farewell event.

UNVEILING CREATIVITY

On 10th August 2024, the Department of OBG, in collaboration with 3rd BHMS, organized a series of creative competitions as part of Breastfeeding Week, focusing on various aspects of motherhood and equal parenting. The pencil sketching competition, themed "Equal Parenting", highlighted the shared responsibilities of both parents in breastfeeding. The comic strip contest, themed "Breastfeeding and Working Woman", illustrated the challenges of balancing work and breastfeeding. The clay modeling event, with the theme "Mother and Child Bond", expressed the deep emotional connection between mother and child, while the poetry writing contest themed "Gratitude to Mothers, Breastfeeding, and Motherhood", invited participants to share heartfelt tributes. Prizes were awarded during the Breastfeeding Day celebration.
