Editor's Message

Launched on July 1, 2024, on Doctor's Day, the Alva's Homoeopathic Medical College Quarterly E-Bulletin has evolved into a dynamic platform for academic discourse, creative expression, and institutional documentation. Over the past year, we have successfully released two editions, while the third edition was integrated with the college magazine, ensuring broader reach and enriched content.

Through our editions, we have highlighted academic achievements, student milestones, faculty contributions, and research advancements, along with comprehensive coverage of conferences, guest lectures, workshops, and cultural events. Our journey has been guided by Sri M. Vivek Alva, Managing Trustee, with unwavering support from Dr. Prajnya Alva, Dr. H. Roshan Pinto, and Dr. Praveen Rai. Under the leadership of Dr. Anitha S.K, Chief Editor, and the dedicated efforts of staff editors Dr. Vasumathi K and Dr. Sudhamathi S.M, we have continuously refined our content, incorporating themed editions, interactive elements, and enhanced student participation. Faculty mentorship and departmental collaborations have further strengthened our multidisciplinary approach.

Challenges such as tight deadlines and evolving content demands have only reinforced our commitment to quality, creativity, and innovation. Moving forward, we aim to diversify content, deepen student engagement, and introduce fresh perspectives, all while enhancing readability and thematic depth.

With two editions completed and the third integrated into the magazine, our journey would not have been possible without the dedication of our editorial team, faculty mentors, and enthusiastic student contributors.

As we embark on another year of growth and creativity, we invite all students to be part of this evolving platform—documenting, celebrating, and inspiring together.

ALVA'S HOMOEOPATHIC MEDICAL COLLEGE

Aeon's Zenith: Week-Long Talent Showcase a Roaring Success

The much-awaited College Day 2024 - AEON'S ZENITH was a spectacular event that showcased the talent, dedication, and spirit of the students. The week-long celebration featured an exciting lineup of Cultural, Literary, and Sports activities, making it a memorable occasion for everyone.

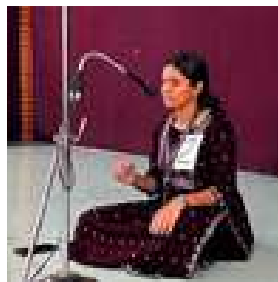

"Aeon's Zenith," the 2024 college day, embodies the auspicious spirit of its name, signifying an enduring peak of excellence and a continuous pursuit of knowledge. Aligned with the Wood Dragon year, a symbol of positivity and growth, the event's tagline, "Root for the Dragon, Reap the Rewards," underscores the celebration of individual talents and potential across diverse fields, extending beyond mere academic achievements. Recognizing the rapid evolution of the world, particularly in the realm of technology and the accelerating rise of AI, the college day theme embraces the journey from the Earth's evolution to the current era, acknowledging the transformative power of each phase.

AEON'S ZENITH 2024 was a resounding success, embodying the spirit of academic and extracurricular distinction. The event served as a platform for students to exhibit their skills, foster camaraderie, and develop a well-rounded personality. The dedication and collective efforts of the student council, participants, and faculty contributed to making the celebration a remarkable and memorable one.

The grand closing ceremony was graced by Dr S.K Tiwari, one of the most distinguished visionary in Homoeopathy, faculty members, and students. Winners of various competitions were felicitated with medals and certificates under the leadership of the student council. The cultural finale featured a mesmerizing performance- The great fashion show marking the end of an unforgettable celebration.

MOUNTAINS, MONUMENTS & MEMORIES: OUR EPIC NORTH INDIA TRIP

The final-year students of AHMC embarked on a much-anticipated trip blending adventure, cultural exploration, and historical learning. The trip was designed not only as a recreational break but also as an opportunity to experience India's diverse heritage and landscapes. From the snow-covered mountains of Himachal Pradesh to the royal forts of Rajasthan and the historical monuments of Delhi, the journey was packed with enriching experiences.

BEYOND THE CLASSROOM WHERE WE WROTE OUR OWN ADVENTURE

A visit to India Gate, a war memorial, filled students with patriotic pride.

The Qutub Minar, the tallest brick minaret, displayed Indo-Islamic architecture. Humayun's Tomb, the inspiration for the Taj Mahal, was a historical delight. A guided tour of the Red Fort narrated India's colonial struggles. Chandni Chowk, famous for its street food and market lanes. Akshardham Temple mesmerized with its intricate carvings, water show, and cultural exhibits. Lotus Temple, a symbol of peace, offered a moment of reflection.

Finally, students visited Sarojini Nagar and Connaught Place, popular for budget shopping and cafes. Beyond just sightseeing, this trip strengthened friendships, teamwork, and cultural appreciation, making it a cherished memory before stepping into professional life.

INCEPTIO

FRESHER'S DAY

Euphony of Beginnings!

The Batch Darpan at Alva's Homeopathic Medical College warmly welcomed the freshers of the 2024-25 batch Shourya , Inceptio a vibrant Freshers' Day celebration. The event provided a platform for the newcomers to showcase their talents, encouraging a sense of confidence and camaraderie among them. The ceremony was graced by the esteemed Chief guest, Dr. Kshama Shetty, Principal of Alva's College of Physiotherapy, who inspired the budding physicians with valuable insights on becoming compassionate and skilled professionals. The event marked an exciting beginning for the freshers, setting the tone for a promising academic journey ahead.

Magnificent Celebration of the 76th Republic Day at Alva's Education Foundation

Alva's Education Foundation commemorated India's 76th Republic Day on January 26, 2025, with a vibrant and patriotic display. A sea of 30,000 students witnessed the grand ceremony, featuring the hoisting of the national flag and a symbolic release of tricolor balloons. The event was graced by Sri Basavaraj S. Horatti and Dr. Mohan Alva, adding to the day's significance.

Seminars, CMEs, *Webinars, Workshops and more*

Unfolding cases: Clinical Meetings

Alva's Homeopathic Medical College organised a series of insightful medical clinical meetings for students from 1st to 4th year, focusing on well-discussed and successfully cured cases. These sessions aim to enhance students' understanding of Homoeopathic case-taking, diagnosis, and treatment strategies. Through interactive group discussions, students will have the opportunity to analyze cases, share opinions, and develop critical thinking skills essential for clinical practice. This initiative not only strengthens theoretical knowledge but also fosters collaborative learning, preparing future homeopaths for real-world patient care.

RADIOSURGE:

Unveiling the Potential: Seminar on Surgical Homeopathy & Radiology

The Radio Surge North Zone Conference and National Scientific Seminar, hosted by IHMA Kerala on February 2, 2025, was a remarkable gathering of Homoeopathic professionals and enthusiasts. The event featured two insightful scientific sessions, highlighting advancements in Homoeopathic practice. Dr. Rafeeq P session on Diagnostic Radiology and Dr. Manu Bhat, the Head of the Department of Forensic Medicine and Toxicology at Alva's Homeopathic Medical College, captivated the audience with his session on Surgical Homoeopathy. His presentation showcased numerous fascinating case studies, demonstrating the evolving role of Homoeopathy in managing surgical cases. His expertise and in-depth analysis provided attendees with a unique perspective clinical Homoeopathic practice.

The seminar served as an enriching platform for learning deeper clinical knowledge and witness the practical applications of modern diagnostic techniques in Homoeopathy.

Staff Activities:

Medical Staff Making a Difference

Homoeopathic Educator Advances Repertory Expertise in AYUSH Program

Dr Shanu S, Assistant professor, Dept of Case taking & Repertory, recently participated in the Ministry of AYUSH-sponsored Continuing Medical Education (CME) Programme for Teachers of Homoeopathic Colleges. The intensive Repertory (U.G) Module No. 4, held at Sarada Krishna Homoeopathic Medical College, Tamil Nadu, from December 9th to 14th, 2024, focused on advancing pedagogical skills in Homoeopathic repertorization. This program aimed to empower educators with the latest knowledge and techniques, ensuring quality Homoeopathic education.

Alva's Homoeopathic Medical College Clinical Meeting Successfully Addresses Non- Reacting Case

Alva's Homoeopathic Medical College in Mijar, Moodbidri, held its monthly staff clinical meeting by different departments of our colleges & lately it was organized by the Department of Physiology and Biochemistry. Under the guidance of Dr. Raj Prasoph, co-guidance of Dr. Prem Kumar, and moderation/supervision of Dr. Praveen Raj, the meeting successfully achieved its objective: to find a similimum for a non-reacting case.

Exploring Integrative Medicine: A Molecular Docking Workshop

A workshop on Molecular Docking was conducted by the Research and Development Cell of Yenepoya Homoeopathic Medical College in collaboration with the Center for Integrative Omics and Data Science on March 8, 2025. Dr. Shanu S, assistant prof, dept of repertory and case taking, actively participated, gaining insights into advanced computational approaches in integrative medicine.

ALVA'S FACULTY AT FOREFRONT OF DIGITAL HEALTH: *Attends National Homoeopathy Workshop*

Dr. Herald Roshan Pinto, Principal, and Dr. Indu O S, staff member of Alva's Homoeopathic Medical College, participated in a significant workshop on

the NRH Online Registration Portal and Ayushman Bharat Digital Mission held in Bengaluru on February 12, 2025. Organized by the NCH in association with the Karnataka Board of Homoeopathic System of Medicine, the event focused on integrating digital platforms into Homoeopathic practice. The workshop, inaugurated by Hon'ble Minister for Health and Family Welfare Shri. Dinesh Gundu Rao. Alva's presence at this event underscores its commitment to staying abreast of the latest advancements in the field and integrating them into its educational practices.

Institution Committed to Continuous Learning: Palliative Care Workshop

Faculties from our college Dr. Anitha S K, Dr. Y M Qadri, Dr. Keerti Raj, Dr. Shiva Kumar & Dr. Rabiya Bashri has attended the Orientation Cum National Workshop on Palliative Care and AYUSH Integration at Yenepoya Homoeopathic Medical College & Hospital, Mangaluru, on January 9, 2025. Organized in association with NAPCAIM, the workshop focused on integrating AYUSH in palliative care. Our faculty's participation highlights our institution's commitment to continuous learning and integrative healthcare.

Empowering Maternal Health Through Science and Sound

Dr. Sudhamati SM delivered an impactful session on cervical cancer screening using colposcopy at the National Workshop on Maternal Health and Music Therapy at Pune National Institute of Naturopathy. The workshop, which also explored music therapy's role in maternal wellness, provided a platform for understanding the latest advancements in colposcopy. Alva's participation underscores our commitment to interdisciplinary learning and equipping students with essential skills for preventive healthcare.

UNLOCKING AI FOR MEDICINE:

WORKSHOP EXPLORES CUTTING-EDGE RESEARCH

Driven by a commitment to advancing medical education, Alva's Homoeopathic Medical College faculty member Dr. Vasumathi K attended a workshop on AI Research at Father Muller Competence Learning Centre on January 29, 2025. This demonstrates the institution's proactive approach to exploring the potential of artificial intelligence in revolutionizing the medical field. The workshop featured Dr. Dhaval Maheta, a renowned expert in Data Science, AI, and Research Methodology from Veer Narmad South Gujarat University, as the key resource person.

A HMC Faculty Members Spearhead OSCE Training Initiative

Dr. Gayathri, Dr. Mahalasa K, and Dr. Shri Raksha B, esteemed faculty members of Alvas Homoeopathic Medical College (AHMC), recently completed an intensive OSCE training program as part of a Faculty Development Program (FDP). The TOT workshop, conducted by FMHMC on January 16th and 17th, 2025, featured expert instruction from Dr. Asha Kiran on OSCE conduction and assessment methods. This training equips the AHMC faculty to implement and assess clinical skills effectively using OSCE.

HUTTI GOLD MINES CELEBRATES WOMEN'S DAY WITH EMPOWERMENT FOCUS

Dr. Rabiya Bashri, MD(HOM), Professor and HOD, was the central figure in Women's Day celebrations at Hutti Gold Mines, Tal-Lingsugur, Dist-Raichur on March 8th, 2025.

She served as Chief Guest and Speaker at Little Angels English Medium High School from 9:30 AM to 12:30 AM, addressing "Women Empowerment and Gender Equality". Later, Dr. Bashri was Guest Speaker at the Hutti Gold Mines from 6:00 PM to 10:00 PM, focusing on "Women Empowerment and Gender Equality". The evening event included discussions emphasizing women's strength and helpfulness, with dignitaries like Senior Manager Yamanurappa and others in attendance.

AHMC FACULTY LEAD RESEARCH DISCUSSIONS AT CHENNAI CONFERENCE

At

Chennai, India – Feb. 14, 2025 – Alva's Homoeopathic Medical College faculty played a pivotal role in shaping the discourse at the MGR University Homoeopathic

Conference in Chennai, demonstrating the institution's commitment to cutting-edge research and professional development. Dr. Kalpana presented her latest findings captivating attendees with her insightful analysis and practical applications. Dr. Suhruthom and Dr. Shashitharan further enriched the conference with their respective presentations, focusing on Innovation in Homoeopathy. Their contributions sparked engaging discussions and fostered collaboration among Homoeopathic practitioners and researchers from across the region. The collective presence of Alva's faculty underscored the college's dedication to advancing Homoeopathic medicine through rigorous research and active participation in leading industry events.

DR. KALPANA'S HOMOEOPATHIC INSIGHTS SPARK BUZZ IN CALICUT!

Calicut, India – February 25, 2025 – All eyes were on Dr. Kalpana at the National Homoeopathic Conference, held at Calicut Homoeopathic Medical College. Her presentation, a focused exploration, ignited a wave of discussion. Attendees were captivated by the clarity of her research and the impact of her findings. A definite win for our institution's commitment to advancing Homoeopathic knowledge!

Beyond Books: Skills for Healers”

Soft Skill Training for 1st Years

The Soft Skills Program for first-year juniors at Alva's Homeopathic Medical College is designed to equip budding doctors with essential skills for their future careers. Through interactive sessions, fun games, and engaging activities, students develop vital competencies such as communication, leadership, teamwork, and empathy. The program fosters confidence in public speaking, enhances doctor-patient interaction skills, and cultivates problem-solving abilities crucial for medical practice. By participating in group discussions, role-playing scenarios, and collaborative tasks, students not only learn but also enjoy the process, making it a memorable and impactful experience. This initiative lays a strong foundation for their journey as compassionate and competent Homoeopathic doctors.

Skills Sharpened:

AHMC Empowers Faculty with Tutor Training Workshop

OSCE

AHMC successfully conducted a "Training of Tutors" workshop focused on the Objective Structured Clinical Examination (OSCE). Dr. Shri Raksha B provided a comprehensive introduction to OSCE principles, followed by practical demonstrations. Dr. Mahalasa showcased effective history-taking techniques, while Dr. Gayathri demonstrated a thorough respiratory system examination. Faculty members then engaged in hands-on practice, using assessment checklists to evaluate simulated student performances. The workshop aimed to enhance faculty expertise in OSCE implementation and assessment, ultimately improving medical student clinical competency.

FACULTY ACHIVEMENTS

DELHI SPOTLIGHT:

Dr. Gayathri Presents Thesis at CCRH

Dr. Gayathri, Alumini of our college of batch 2014-2020, currently Assist. Professor of Dept. of Medicine has been shortlisted as a candidate for the prestigious MD Quality Dissertation Award 2024-25 in recognition of her outstanding postgraduate research work.

As part of this achievement, she presented her PG thesis at the Central Council for Research in Homoeopathy (CCRH) headquarters, located in the Institutional Area, Janakpuri, New Delhi, on the 12th and 13th of March 2025.

APPOINTED TO RGUHS BOARD OF STUDIES

Dr. Jiji S. Kappil

We are pleased to announce that Dr. Jiji S. Kappil, HOD of Dept. of Organon of Medicine has been selected as a member of the Board of Studies (BOS) for Undergraduate studies at Rajiv Gandhi University of Health Sciences (RGUHS) for the term 2025-2027.

This appointment recognizes Dr. Jiji S Kappil's expertise and contributions to the field. We congratulate her on this achievement.

HEALTHCARE CHAMP HONORED:

Dr. Vasumathi K Celebrated for Women's Health Advocacy

Thokuru, India - March 15th, 2025 - our faculty Dr. Vasumathi K of Dept. of Case Taking & Repertory was recognized by Brahmashri Narayanaguru Mahila Vedike for her contributions to healthcare at an International Women's Day event. She spoke on the importance of women's health, focusing on anemia in young adults.

DR. RABIYA BASHRI & DR. DILEENA PUTHIYA PURAYIL

Featured in Leading Homoeopathic Publication

Dr. Rabiya Bashri, HOD of Homoeopathic Materia Medica, and Dr. Dileena Puthiya Purayil of AHMC have published a research article in the International Journal of Homoeopathic Sciences. The college congratulates them on their achievement.

STUDENT ACHIVEMENTS

CCRH RECOGNIZES

AHMC Student's Research Excellence

Final-year AHMC student, Alwin Crasta, has been awarded a prestigious research grant from the Central Council for Research in Homoeopathy (CCRH) for the 2024-25 academic year. AHMC faculty and staff congratulate Alwin on this significant achievement.

Empowering the women

SAKSHAMA

WOMEN'S DAY CELEBRATION

"There is no limit to what we, as women, can accomplish."

-Michelle Obama

Alva's Women's Association (Sakshama) successfully hosted a vibrant celebration for International Women's Day on March 8th, 2025, at Mundrudeguthu K Amarnath Shetty Vedike. The event was dedicated to the memory of Padma Shri awardee Sukri Bommagowda.

The celebration was inaugurated by renowned theatre and film actress, Mrs. Girija Lokesh. Esteemed guests, including Mrs. Najma Farooqi (Assistant Commissioner of Police) and Prof. Karuna Vijayendra (University of Silicon Andhra), graced the occasion. Dr. M Mohan Alva, Chairman of Alva's Education Foundation, presided over the event.

SAKSHAMA IN ACTION

MORE THAN CELEBRATIONS

INTERNATIONAL WOMEN'S DAY
IN THE PROFOND MEMORY OF PADMA SHRI AWARDEE SUKRI BOMMAGOWDA

Alva's Sakshama celebrated International Women's Day with a vibrant series of competitions and programs, fostering enthusiastic participation from the staff of Alva's Homoeopathic Medical College (AHMC). The event, dedicated to honoring womanhood, featured a range of activities, notably cultural competitions where our AHMC teaching & non-teaching faculty members have actively participated.

FINANCIAL STRENGTH HIGHLIGHTED ON WOMEN'S DAY

On the occasion of International Women's Day, the initiative "Sakshama" – Alva's Women association has organised a program with the theme- EMPOWER HER- "Strengthen Women on Financial Awareness" on 5th February 2025 at Kuvempu Hall from 10am-12pm by Mrs Sapna Shenoy. The program aimed to equip women with the tools needed to make informed financial decisions, achieve economic independence, and enhance their overall financial well-being.

LEVELING THE FIELD: WOMEN'S DAY SPORTS HIGHLIGHTS!

CELEBRATING STRENGTH, SKILL, AND VICTORY.

Sports activities for female employees of AEF were organised by SAKSHAMA at various phases. Teaching and non-teaching staff of AHMC actively participated in all the activities.

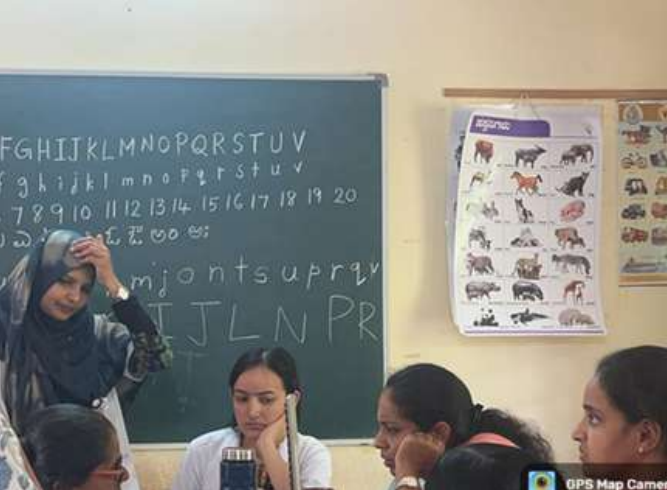

Dr. Shreyas & Dr. Anitha S K won the 3rd place in Badminton

Dr. Shreyas won the 3rd in Shotput

Alva's Faculty Drives Women's Financial Literacy on International Women's Day

A key highlight of the program was the active participation of esteemed faculty members from Alva's Homoeopathic Medical College. Dr. Gayathri, Dr. Mahalasa K, Dr. Shri Raksha B, and Dr. Supriya lent their expertise and support to the initiative, contributing to the program's objective of equipping women with the tools necessary for informed financial decision-making and economic independence.

HOLISTIC HEALING CAMPS:

*BRINGING HOMEOPATHY TO THE
COMMUNITY*

Alva's Homeopathic Medical College organized several specialized health and treatment camps for both children and adults, addressing conditions such as diabetes, asthma, benign prostatic hyperplasia (BPH), hypertension, insomnia, renal calculi, and menstrual hygiene. These camps were conducted by experienced faculty members and dedicated interns, providing free Homoeopathic medicines, expert guidance, and health cards for continued follow up care. A large number of people benefited from these initiatives, reflecting the institution's commitment to holistic healthcare and community well being.

CAMPS OF PAST 3 MONTHS

A special camp was conducted at Pakshikere Church, Kinnigoli by Alva's Homoeopathic medical college Hospital, Mijar. A total of 29 patients attended the camp and were benefitted by free Homoeopathic medicines. Family health card was issued to the patient for the further follow ups.

Dr. Vasumathi K & Dr. Supriya H

A special camp was conducted for Diabetes, Hypertension, Insomnia, Renal calculi, Asthma and BPH at Alva's Homoeopathic OPD, Punarjanma Mijar and Moodbidri by Alva's Homoeopathic medical college Hospital, Mijar. A total of 23 patients attended the camp and were benefitted by free Homoeopathic medicines. Family health card was issued to the patient for the further follow ups.

A School health camp was conducted at Neerkere School, Mijar by Alva's Homoeopathic medical college Hospital, Mijar. A total of 35 students were examined and benefitted by free Homoeopathic medicines.

Dr. Sudhamathi & Dr. Gayathri

A School health camp was conducted at Mucchur Primary School, Mijar by Alva's Homoeopathic medical college Hospital, Mijar. A total of 66 students were examined and 52 students benefitted by free Homoeopathic medicines. Students and interns of AHMC gave the health awareness talk about 'Health and Hygiene among students' and 'Menstrual Hygiene' for 8th standard female students.

Dr. Raj Prasoph

5 Days Puttige Camp

A special five-day health camp was conducted at Shri Mahathobhara Somanatheshwara Temple, Puttige, by Alva's Homoeopathic Medical College Hospital, Mijar. The camp, held from March 2nd to March 6th, 2025, provided free Homoeopathic medical consultations and medicines by which 94 patients were benifited.

The camp was organized as follows:

Day 1 (02/03/2025, 10 AM - 4:30 PM):

Dr. Asma & Dr. Shivakumar

Day 2 (03/03/2025, 10 AM - 4:30 PM):

Dr. Supriya & Dr. Shreyas

Day 3 (04/03/2025, 10 AM - 4:30 PM):

Dr. Shri Raksha B & Dr. Mahalasa

Day 4 (05/03/2025, 10 AM - 4:30 PM):

Dr. Vasumathi & Dr. Shanu S

Day 5 (06/03/2025, 10 AM - 4:30 PM):

Dr. Sudhamathi & Dr. Bharath Raj

AHMC for 100 day campaign – NIKSYAY – National TB elimination program

The Department of Community Medicine at Alva's Homeopathic Medical College observed the National Tuberculosis Elimination Program through three significant events. The first event was an oath-taking ceremony held in the college seminar hall, where students **pledged their commitment to the cause**. The oath was led by Dr. Sudhamathi, reinforcing the importance of active participation in TB eradication.

As part of the Ni-Kshay program under the 100-day camp initiative, a **TB screening camp** was organized on February 7 in Lingapayyakadu. The camp was conducted by fourth-year students along with faculty members from the Departments of Community Medicine, Pathology, Microbiology, and Practice of Medicine. The screening aimed to identify suspected TB cases and promote early detection and treatment.

Additionally, an **awareness camp** was conducted under the same program to educate the public about tuberculosis, its impact on health, and preventive measures. The camp emphasized the significance of early diagnosis, proper medication adherence, and lifestyle changes to control and eliminate TB, encouraging the community to join hands in the fight against this infectious disease.

NANDINI DAIRY VISIT: PRACTICAL HYGIENE, PRODUCTION SKILLS

Final year community medicine students from Alva's Homoeopathic Medical College, visited the Nandini Dairy Factory in Ubettu on December 5th, 2024, gaining practical insights into dairy production and hygiene.

Organized by the department of community medicine, the visit included tours of the treatment plant, pasteurization process, and packaging lines. Students witnessed the production of various dairy products, observing Nandini's strict adherence to safety and quality standards under KMF.

"The facility's cleanliness and the staff's enthusiasm were remarkable," said the students, "Seeing the scale of hygiene practices was eye-opening."

The visit reinforced the importance of food safety and industrial hygiene in community health. Students concluded the tour by purchasing Nandini products from the factory outlet.

ALVA'S HOSTS IFTAR

Alva's Iftar Koota 2025 at Moodbidri's Krishi Siri Vedike united over 12,000 people from diverse backgrounds for a Ramadan fast-breaking. The event, organized by Dr. M Mohan Alva, Chairman of Alva's Education Foundation, highlighted communal harmony through interfaith messages emphasizing unity and compassion. Attendees shared a grand Iftar feast of traditional delicacies and participated in Namaz, reinforcing interfaith dialogue and community understanding.

PRACTICAL LEARNING AT THUMBE DAM FACILITY

A visit to water treatment plant in Thumbe, Karnataka was organised by the department of Community Medicine on February 5th 2025 for final year students. During the visit Officials of Thumbe Dam took the students around the Dam and explained various details about the plant and explain the working of each component of the treatment process. The various steps of coagulation, flocculation, sedimentation, filtration etc was well explained to the students with the working.

The officials were so generous and patient with all the doubts and queries of the students. The students also got to know about the Thumbe dam which was constructed across river Nethravati in the year 1993 which is the only source of water to the mangalore city and surrounding areas.

E-bulletin, the digital platform presented to you by Alva's Homoeopathic Medical College marks a significant step forward in our efforts to streamline communication, foster engagement, and enhance the overall college experience.

Through the e-bulletin, we aim to foster a sense of unity, transparency, and engagement. It's not just about broadcasting information; it's about sparking conversations, exchanging ideas, and building relationships.
